# TORONTO WARMLY WELCOMES THE GUYNEMER OF CANADA

Major William A. Bishop, V.C., D.S.O., M.C., of Owen Sound, Home After Bringing Down Many Hun Planes

Canada's hero of more than two-score air duels, Major William Avory Bishop, V.C., D.S.O., M.C., arrived in the city last night on the way to his home in Owen Sound on two months' furlough. Mayor Church welcomed him to the city, and expressed to the young man the appreciation of the citizens for his coolness and daring which resulted in his accounting for no less than thirty-seven of the enemy's machines.

Major Bishop is the most decorated of any Canadian "birdman." He first won the Military Cross, then the Distinguished Service Order, and just recently he won the highest laurels of all, the Victoria Cross. He is a hero of this war, and to-day he is the most-talked-of member of the Royal Flying Corps. Major Bishop just recently was promoted to his majority and appointed Chief Instructor of Aerial Gunnery and Squadron Commander in England. He is still quite young, being only twenty-three years old.

He arrived in the city last night on the 5.45 G.T.R. train from Montreal. As the train steamed into the shed at the Union Station the band of the Mississauga Horse struck up "Rule Britannia." When he stepped to the platform he was greeted by Mayor Church, who led in three cheers and

At the Chapel of the Sisters of St. John, Major street, on April 30th at 9 a.m., the marriage of Marie Elizabeth St. John to Charles Albert Beamish was solemnized by the Ven. Archdeacon Ingles. Only the immediate relatives were present. After the ceremony the party motored to the home of the groom's brother, 48 Oakmount road, where luncheon was served. Mr. and Mrs. Beamish will reside at 2246 Bloor street west.

### FENNELL—SCOTT-RAFF.

A wedding of much social interest was that of Miss Dorothy Scott-Raff, daughter of Mrs. George E. Nasmith, to Mr. Robert Elmore Fennell, son of Mr. and Mrs. J. Fennell of Haileybury, which took place yesterday afternoon in the Timothy Eaton Memorial Church. The service was taken by the Rev. Dr. Williams in the chancel, decorated with tall palms. The bride wore a gown of flesh pink charmeuse with Carriacmacross lace veil caught with a bandeau of pearls and sprig of white heather. The bride's bouquet was an armful of sweet peas in white pale colors; her shoes brocaded satin with diamond buckles. The lace veil was worn by Miss Burden on her marriage to Col. W. A. Bishop, and was a family heirloom. Mrs. George Nasmith looked very handsome in an original draped charmeuse gown of "humming bird" blue and green charmeuse with green straw hat with feather. She wore a long green bead chain with inlaid cross from Constantinople. Her bouquet was an old-fashioned cluster of pansies. The best man was Mr. Lester Keachie, and the ushers, Mr. Gordon Monock and Mr. Wilkinson, all of whom with the groom had been overseas, and had been wounded and gassed at the same time. Mr. Dalton Baker played the wedding music, and Mrs. Millett Lore sang with much feeling "Love's Coronation" with violin accompaniment by Miss Kathleen Reid, during the signing of the register.

A reception was held after at the home of the bride's stepfather, Col. George Nasmith, D.S.O., 41 Oriole road. Mr. and Mrs. J. Fennell, father and mother of the groom, of Haileybury, were, owing to illness, unable to be present. The attractive living room with its masses of spring flowers and sun room was thronged with guests and the bride and groom with Mrs. Nasmith, were besieged with good wishes. The bride's table in the sun roof, the windows of which were banked with palms and flowers, was decorated with pink sweet peas in silver vases, with square wedding cake in the middle.

The bride's going away suit was of navy blue with gold braid trim-

## RED CROSS SOCIETY TO CANVASS CANADA FOR STRICKEN JAPAN

Dominion-wide Appeal De-  
cided Upon at Meeting  
of Executive

AT GOVERNMENT REQUEST

At a special meeting of the National Executive of the Canadian Red Cross Society, held at the Sherbourne street offices yesterday afternoon, it was unanimously decided to make a Dominion-wide appeal for contributions for the relief of sufferers from the disastrous earthquake in Japan. Following a request from the Government that such an appeal be made, the emergency meeting was called to consider the question. The result is that the Canadian Red Cross has unhesitatingly accepted the responsibility to present the appeal from the Atlantic to the Pacific, acting through the several Provincial divisions, which, in turn, will direct the local organization. A summary of yesterday's proceedings was read to all Provincial divisions last evening, immediately after adjournment, and operations for the collection of moneys will commence at once.

### An Efficient Unit.

In considering the question of how such funds as would be collected should be administered, the Chairman, Dr. James W. Robertson, C.M.G., pointed to the splendid reputation of the Japanese Red Cross Society. One of the five charter members of the League of Red Cross Societies, which now includes 40 nations, it was recently declared by the Director of the league to be one of the best-organized societies in the world, having over two million contributing members, operating relief organizations in every district, and possessing an admirable corps of trained relief personnel. It is strongly supported by the Royal family and the Government.

In view of these facts, the meeting agreed that the Japanese Red Cross would unquestionably be the best body to administer any funds gathered by the Canadian society. The provision was made, however, that the Canadian Red Cross Society should appoint either a committee or a representative as a special commissioner in Japan, with whom the Japanese Red Cross might co-operate. This particular point will be further dealt with at a meeting next week.

Announcement was made that already the Provincial division of British Columbia had forwarded a consignment of several tons of condensed milk to be used in the stricken area.

In connection with the Red Cross national program a resolution was passed yesterday authorizing the Chairman to take the necessary steps to establish classes in home nursing throughout Canada, such classes to be arranged for and conducted under the direction of the Provincial divisions. This action is being taken in response to a very general demand made by the women of Canada for such a course.

The following members of the Executive were present at the meeting: Dr. Jas. W. Robertson, C.M.G., Chairman of Council and Executive, Ottawa, presiding; Noel Marshall, Sir John M. Gibson, Hamilton; R. W. Leonard, St. Catharines; G. G. Nasmith, Mrs. H. P. Plummer, G. Sterling, Ryerson, Niagara-on-the-Lake; Rev. Provost C. A. Rogers; Dr. C. D. Parfit, Gravenhurst; C. B. Allan, St. John, N.B.; J. J. M. Pansman, Montreal; F. Gordon Osler, Norman Somersetville, K.C.
